

A wide-angle photograph of a vast field of dandelions in full seed. The sun is low on the horizon, creating a warm, golden glow that transitions into a deep orange and then a soft purple in the sky. The dandelions in the foreground are slightly out of focus, while those in the middle ground are sharper, creating a sense of depth. The overall mood is peaceful and serene.

KIGA Andrzej Matyszewski

Product catalogue

KIGA Andrzej Matyszewski is a company operating on the market since 1995. Our main occupation is the production and distribution of straw wreaths and other floristic items. Thanks to the highest quality of our products, we are proud to have a large group of regular customers with whom we have been cooperating for many years.

Our products can be found in many Western European countries such as Germany, Austria, Belgium, the Netherlands and also Poland.

Due to the sustainable development of our company, we have decided to present our offer also to local customers and therefore we invite you to familiarize with our products.
